

Draft Programme 16 March 2010

Session codes explained

In the Conference Programme the following codes are used to identify plenaries, special sessions and thematic tracks.

Track ID	Track Title	Convenor
T1	Equality, inclusion and environmental justice	John Buchanan
T2	Urban and rural regeneration	Silvia Gullino
T3	Governance, policy & planning	Samer Bagaeen
T4	Urban design, heritage and conservation	Delle Odeleye
T5	Climate change, sustainability and ecology	Peter Wynn
T6	Transport, mobility and accessibility	Lee Woods
T7	Planning education, professional development and practice	Ann Hockey
T8	Cities and international development	Prof Robert Home
Special Session ID	Special Session Title	Convenor
S1	Planners Network UK - Getting beyond the academy: the challenges of academic engagement with the politics of planning	Andy Inch
S2	Future of the Planning Academy	Geraint Ellis
S3	Spatial planning and delivery	Prof Janice Morphet
S4	Integrating Place-Making Skills in planning curricula: Spatial Analysis for Spatial planning	Richard Kingston & Andrea Frank
Plenary Session ID		
P1	Environmental Justice and Energy	Prof Andy Blowers
P2	The Urban as a Social Learning System	Prof Ian Bentley Prof Mark Tewdwr-Jones
P3	Land use futures	
P4	Enhancing Ecosystem Services: Planning a Sustainable Society	Prof Jim Harris

Overview

Day/time	Activity	Location	Detail/Track
Wednesday 7 April 2010			
11.15-12.45	Conference Registration	Mezzanine	
12.45-14.00	Lunch	Mezzanine	
14.00-15.30	Opening Plenary	MAB221	See Below
15.30-16.00	Tea/coffee	Mezzanine	
16.00-17.30	Parallel Sessions 1		T1
			T3
			T4
			T7
			T8
			S3(1)
17.30-18.00	Submitted poster session		
18.00-	Drinks Reception	Mezzanine	
Thursday 8 April 2010			
9.00-10.30	Parallel Sessions 2		T2
			T3
			T4
			T5
			T6
			T7
			T8
			S3 (2)

11:20-12:50	Parallel Sessions 3		T3
			T4
			S2
12:05-13:20	Submitted poster session		
12.20-13.20	Lunch	Mezzanine	
13.20-14.40	Plenary 2	MAB221	Professor Ian Bentley, The Urban as a Social Learning System
14.40-14.55	Tea/coffee	Mezzanine	
14.55-16.15	Plenary 3	MAB221	Professor Mark Tewdwr-Jones, Land use futures
16.15-16.30	Comfort break		
16.30-18.00	Parallel sessions 4		S1
			T1
			T2
			T4
			T5
			T6
			T8
			S4
19.30 -	Conference Dinner	County Hotel	

Friday 9 April 2010			
9.15-10.45	Plenary 4	MAB221	Professor Jim Harris, Enhancing Ecosystem Services: Planning a Sustainable Society
10.45-11.15	Tea/coffee	Mezzanine	
11.15-12.45	Parallel Sessions 5		T1
			T3
			T4
			T5
			T7
			T8
12.45-14.00	Lunch	Mezzanine	
14.00	Formal Conference Closes		
14.00-17.00	Study tours		Optional - to be confirmed; charges may apply

Opening Plenary

Includes:

University, Faculty and Department Welcome: Ann Hockey, Dr Paul Smith, Dr David Reid, Peter Crabtree
The Conundrum of Connection: Ann Skippers, President, Royal Town Planning Institute
History of Development at Rivermead: Gareth Gunning, Anglia Ruskin University
Chelmsford - Regeneration and Design: Roger Estop, Chelmsford Borough Council

Detailed By Track

T1: Equality, inclusion and social cohesion/justice	
Convenor:	John Buchanan, Anglia Ruskin University
Session:	Inequality
Date/time:	Parallel Session 1, Wednesday 7 April, 16:00-17:30
Room:	
Chair:	
1	Social Inclusion: Can Planning Make a Difference? Sarah McIntosh (Heriot Watt University)
2	Lessons from Community Lifestyle Provision on the Sunshine Coast, Australia Richard Moore (Anglia Ruskin University)
Session:	Participation and Engagement
Date/time:	Parallel Session 4, Thursday 8 April, 16:30-18:00
Room:	
Chair:	
1	Managing diversity in contemporary cities, Citizens, Communities and Customers Katie McClymont (University of the West of England)
2	Democratising planning? Mapping the literature on public participation Diane Hopkins (University of the West of England)
3	Opposition and engagement in electricity network infrastructure planning Matthew Cotton and Prof Patrick Devine-Wright (University of Exeter)
Session:	Inclusivity and mediation of space
Date/time:	Parallel Session 5, Friday 9 April, 11:15-12:45
Room:	
Chair:	
1	Faith and Planning Judith Allen (University of Westminster)
2	Gender Planning for Sustainable Landscape and Spatial Development: Two Case Studies from Austria Doris Damyhanovic and Britta Fuchs (University of Natural Resources and Applied Life Sciences, Vienna)
3	Older People in Unfamiliar Environments: Assimilating a Multi-disciplinary Literature to a Planning Problem Martin Spaul (Anglia Ruskin University)

T2: Urban and Rural Regeneration	
Convenor: Silvia Gullino, Kingston University	
Session:	Regeneration: rural and environmental impacts
Date/time:	Parallel Session 2, Thursday 8 April, 9:00-10:30
Room:	
Chair:	Martin Spaul, Anglia Ruskin University
1	Targeting residential development on previously developed land: an unrealistic proposition for rural local planning authorities? Prof Nigel Walford (Kingston University)
2	Horses for Courses: Courses for Horses? Deborah Peel and M Greg Lloyd (University of Ulster)
3	Challenges and Opportunities for Rural Regeneration on the Island of Ireland Karen Keaveney (Queen's University Belfast), Caroline Creamer (International Centre for Local and Regional Development and NUI Maynooth), Neale Blair (University of Ulster), Brendan O'Keeffe (MIC Limerick), and John Driscoll (ICLRD and Institute for International Urban Development, Cambridge, Mass.)
4	Urban aspects for environmental impact assessment projects urban and social studies Emad Ali El-Din El Sherbiny (Cairo University)
Session: Regeneration: social, cultural & economic changes	
Date/time: Parallel Session 4, Thursday 8 April, 16:30-18:00	
Room:	
Chair: Prof Nigel Walford, Kingston University	
1	Business Improvement Districts and conservation-led regeneration in Scotland John McCarthy (Heriot Watt University)
2	The importance of being protected: Landscape and Cultural Heritage, an approach for a Southern Portugal case Study Maria Neto, Pedro Januário, Andreia Garcia (Technical University of Lisbon)
3	Handmade places: a social history of Bonnington Square in London Silvia Gullino and Heidi Seetzen (Kingston University)
4	Cruise tourism, regeneration and spatial planning in the Netherlands: the cases of Amsterdam and Rotterdam John McCarthy (Heriot Watt University)

T3: Governance, Policy and Planning	
Convenor: Samer Bagaeen	
Session:	The Ascendancy of Localism
Date/time:	Parallel Session 1, Wednesday 7 April, 16:00-17:30
Room:	
Chair:	
1	Local Solutions for Local Problems? Local Area Agreements and How Central-Local Relations Impact upon their Delivery Alexander Nurse (University of Liverpool)
2	Learning to be a 'client' of the planning service: reflections on the experience of small businesses in the planning system Neil Harris and Huw Thomas (Cardiff University)
3	Community Governance and Local Decision Making Tracie McIntyre (City of Wakefield Metropolitan District Council) and Jamie Halsall (University of Huddersfield)
4	The regeneration of Liverpool: connections and disconnections in a 'joined-up' environment Thomas Ellerton (University of Sheffield)
Session: Change in Spatial Planning	
Date/time:	Parallel Session 2, Thursday 8 April, 9:00-10:30
Room:	
Chair:	
1	Implementing Spatial Planning in British Local Authorities: Reflections from 2004-09 Ben Clifford (University College London)
2	The Modernisation of English Planning: Re-interpreting the articulation of a new ideological ethos Andrew Inch (Heriot Watt University)
3	The formation and significance of New Labour's latest planning reforms – planning major infrastructure Tim Marshall (Oxford Brookes University)
Session: Governance for Sustainable Systems	
Date/time:	Parallel Session 3, Thursday 8 April, 11:20-12:50
Room:	
Chair:	
1	Spatial Planning for Energy Development and the Politics of its Regulation Maeliosa Hardy (University of Ulster)
2	Delivering a Step Change in Environmental Sustainability: From Copenhagen to Local Carbon Budgets and Spatial Planning Sue Kidd (University of Liverpool) & Prof Janice Morphet (University College London)
3	Why Cities Cannot Be Sustainable: Governance and Planning For Istanbul Ilek Unalan (Bogazici University)
Session: Planning for Diversity	
Date/time:	Parallel Session 5, Friday 9 April, 11:15-12:45
Room:	
Chair:	
1	Localising national spatial planning directives in South Africa through 'strategic

	intergovernmental and civil society engagement': More than just a difficult balancing act Prof Mark Oranje (University of Pretoria) and Elsona van Huyssteen (Council for Scientific and Industrial Research, Pretoria)
2	A Panacea or Problem? Delivering regeneration for Black and Minority Ethnic (BME) Communities: The role of Local Area Agreements (LAAs) Simon Pemberton (University of Liverpool)
3	A city of partners: Experience and lessons from the last decade in the contested city of Belfast Gavan Rafferty (University of Ulster)

T4: Urban Design, Heritage and Conservation	
Convenor:	Delle Odeleye, Anglia Ruskin University
Session:	Emerging Trends and Theoretical Views?
Date/time:	Parallel Session 1, Wednesday 7 April, 16:00-17:30
Room:	
Chair:	Prof. Brian Goodey, Oxford Brookes University
1	Voicing Space and Place: Always Sniping from the Margins Chair's Introduction
2	The Problem with thinking about or for Urban Design Mike Biddulph (Cardiff University)
3	Bridging the Gaps' in Urban Design? - Towards a Multi-Dimensional Framework of Place Delle Odeleye (Anglia Ruskin University)
Session:	Representations - Perceptions of Place?
Date/time:	Parallel Session 2, Thursday 8 April, 9:00-10:30
Room:	
Chair	Prof. Brian Goodey, Oxford Brookes University
1	Urban Space & Pedestrian Perception: Steps Towards Evidence-Based Design Anzir Boodoo (University of Leeds)
2	Visual Representations of Urban Space - Implications for Planning Policy & Practice Michael Leary (London South Bank University)
3	The City as Scenery - Theatre as Structural Equipment in the City: From Scene Construction to Representation Space Andreia Garcia, Maria J. P. Neto and Pedro Januário (technical University Lisbon)
Session:	Practice Reviews - Participating in Change?
Date/time:	Parallel Session 3, Thursday 8 April, 11:20-12:50
Room:	
Chair:	Prof. Brian Goodey, Oxford Brookes University
1	Kelantan Malay Vernacular Landscape: Recent Trends & Future Prospects Mohammad Rusdi Mohd Nasir (University of Sheffield)
2	Negotiation by Design & Role of Imagination in Participatory Spatial Practices Peter Princen (PHL University College, Hasselt University)
3	Design Review - What Place Urban Design Guidance for Democratic Planning? Elaine Paterson (Northumbria University)
Session:	Pursuing Conservation - Converging Challenges?
Date/time:	Parallel Session 4, Thursday 8 April, 16.30-18.00
Room:	
Chair:	Alan Coday, Anglia Ruskin University
	Chair's Introduction (TBC)
1	Importance of a Multidisciplinary Approach to Urban Planning in the Cultural Heritage Areas - case of the project 'Centuries of Bač' Jermína Stanojev (University of Novi Sad)
2	Fighting against the Tide: Future of Historic Lighthouses Sarah McIntosh (Heriot Watt University)
3	Integrated Renewal Strategies for a 'Chinese- Baroque' Style Historic Block in Harbin Ming Lu (Harbin Institute of Technology, China) and Jiangtao Du (University of

	Sheffield)
Session:	Historic Regeneration - Diverse Strategies?
Date/time:	Parallel Session 5, Friday 9 April, 11.15-12.45
Room:	
Chair:	Alan Coday, Anglia Ruskin University
1	Character & Change: The Impact of Building Adaptation on a potential World Heritage site - the Jewellery Quarter, Birmingham Neal Allcock (Birmingham City Council) and Peter Larkham (Birmingham City University)
2	Challenges of change and unity in diversity in architecture, urban design and heritage conservation in post- apartheid South African cities Prof Ambrose A Adebayo (University of Kwa-Zulu Natal)
3	Regeneration of the Historic Waterfront of Two World Heritage sites in Malaysia - The Case of Penang & Menaka Shuhana Shamsuddin, Prof. Ahmad Bashri Sulaiman, Nursyahida AlFath Alias, Nurul Syala Abd. Latip (Universiti Teknologi Malaysia), Norshidah Ujang (Universiti Putra Malaysia), Shreesivadasan and Nurul Azreen Azlan (Universiti Teknologi Malaysia)
4	A Study of the Influence of the Commission of the Old Paris on the Conservation of Historic Monuments from the 1880s to the 1930s Kumi Eguchi (Univ. of Tokyo and French National School of High Studies in Social Sciences)

T5: Climate change, Sustainability and ecology	
Convenor:	Peter Wynn, Anglia Ruskin University
Session:	Community Involvement
Date/time:	Parallel Session 2, Thursday 8 April, 9:00-10:30
Room:	
Chair:	Nick Reeves
1	Going Carbon Neutral? Can community based projects help encourage a low carbon lifestyle in low – income neighbourhoods? Alina Congreve (University of Reading)
2	A sustainable approach to national park models Jonathan Bell (Queen’s University Belfast)
3	Marine Spatial Planning: will it live up to its namesake? Heather Ritchie (University of Ulster)
Session:	Mathematical Analysis and Modelling
Date/time:	Parallel Session 4, Thursday 8 April, 16:30-18:00
Room:	
Chair:	Nick Reeves
1	Urban metabolism: Feeding, the Suburbs to the City – a Biomimetic model for the synergistic remediation of local agriculture and urban sprawl Siobhan Barry and Alice Edmondson (Manchester Metropolitan University)
2	Dynamic Analysis for Daylight Availability in High-Density Residential Areas of North-East China Jiangtao Du (University of Sheffield) & Ming Lu (Harbin Institute of Technology, China)
3	Parametric Approach to Buildings and Energy Adiwan F Aritenang (University College London)
Session:	Urban Development and Infrastructure
Date/time:	Parallel Session 5, Friday 9 April, 11.15-12.45
Room:	
Chair:	Nick Reeves
1	Back to the (urban) future: Making beneficial sustainable regeneration decisions today by considering tomorrow’s world Christopher Boyko (Lancaster University)
2	Turning the urban granite grey city into green: the pivotal role of green roofs in enhancing compact dense urban built environments Nezar A Kafafy (Cardiff University and Cairo University)
3	Planning for the breakdown of our hidden infrastructure Prof R.W. Sarsby (University of Wolverhampton)

T6: Transport, Mobility and Accessibility	
Convenor:	Lee Woods, Portsmouth University
Session:	Quantifying, Measuring and Modelling the City and its Transport
Date/time:	Parallel Session 2, Thursday 8 April, 9.00-10.30
Room:	
Chair:	Lee Woods, Portsmouth University
1	Access to Diversity: Definition and Measurement of an Elusive Concept Neil Ferguson (University of Strathclyde)
2	The Role of Land Use and Transport Interaction Models within Planning Dobson, Simmonds Blyth (MVA), Dunlop (STP)
3	Public private partnership and urban transportation in an African city: An Assessment of Lagos State Bus Rapid Transport (BRT) System Adebayo Sulaimon Dauda and Oluwaseun John Oladipo (SGBM Heritage Limited, Nigeria)
Session:	Achieving Sustainable Urban Development and Travel Patterns
Date/time:	Parallel Session 4, Thursday 8 April, 16.30-18.00
Room:	
Chair:	Neil Ferguson, University of Strathclyde
1	Road Use Charging (RUC) for Achieving Sustainable Transport Systems in Dhaka M. Shafiq-Ur Rahman (University of Leeds and Jahangirnagar University, Dhaka)
2	Can the planning system create more sustainable patterns of mobility in Glasgow? Lee Woods (Portsmouth University)
3	Environmental parking charge policies: a case study of Winchester Graham Wall (Portsmouth University)

T7: Planning education, professional development and practice	
Convenor:	Ann Hockey, Anglia Ruskin University
Session:	Planning education and practice: realism, experience and reflection
Date/time:	Parallel Session 1, Wednesday 7 April 16:00-17:30
Room:	
Chair:	
1	Univercities: Place-Based Collaborative Learning Sarah Chaplin (University of Greenwich)
2	'Separately Together': Collaborative Teaching in a World of Change Deborah Peel and Sanwara Gunasekera (University of Ulster)
3	Reflective Writing and Lifelong Learning: The Role of Higher Education for Planning John McCarthy (Heriot Watt University)
4	Inquiry Based Learning with Second Life Carlos Jimenez-Bescos (Anglia Ruskin University)
Session:	Planning education, professional development and sustainability
Date/time:	Parallel Session 2, Thursday 8 April, 9:00-10:30
Room:	
Chair:	
1	Educating the built environment professions to secure the healthy communities of the future Caroline Bird and Marcus Grant (University of the West of England)
2	Planning for Non-planners - the findings of a RICS funded research report Rachel Danemann (Univeristy of Stirling and South Hams District Council)
3	John Ruskin as Built Environment Mentor Michael Powell (Anglia Ruskin University)
Session:	Researching planning: nature and style
Date/time:	Parallel Session 5, Friday 9 April, 11.15-12.45
Room:	
Chair:	
1	Higher Education – The Ph.D. Education in Planning Elisabete Silva (University of Cambridge)
2	Professional Doctorates in the Built Environment Ian Frame (Anglia Ruskin University)
3	Planning Education in Bangladesh: What the Graduates are Doing M. Shafiq-Ur Rahman (University of Leeds and Jahangirnagar University, Dhaka)

T8: Cities and International Development	
Convenor: Prof Robert Home, Anglia Ruskin University	
Session:	Design and renewal
Date/time:	Parallel Session 1, Wednesday 7 April, 16:00-17:30
Room:	
Chair:	Prof Robert Home, Anglia Ruskin University
1	“Complete Mobility”: a new paradigm for city mobility Bethan Garner and Steve Cassidy (MRC Europe)
2	Urban gating: recoding the shifting meaning of gated settlements Samer Bagaeeen (Brighton University)
3	An Assessment of Urban Renewal Policy of Lagos State Government 2007-2009 Olayonka Rotimi Akingbala (Wale Ojuko & Co) and Adekunle Odeniran (Evan Brothers (Nig. Pub) Limited
Session:	Political economy
Date/time:	Parallel Session 2, Thursday 8 April, 9:00-10:30
Room:	
Chair:	Prof Robert Home, Anglia Ruskin University
1:	Political-Economy and Nation State in Regional Balancing, Devolution, and ASEAN Free Trade Agreements Adiwan F Aritenang (University College London)
2	Competence and competitiveness of the Baltic countries Ilze Stokmane (Latvia University of Agriculture)
3	Metropolitan's Competition in Trans – National Arenas Using Strategy Finding Tools Mohammad Taghi Razavian (Beheshti University, Tehran), Morteza Ghourchi (Modarres University, Tehran) and Mona Zehtabi (University of Tehran)
4	Atenquique's environmental and economic development shrinkage in Globalization era José G. Vargas-Hernández (Centro Universitario de Ciencias Económico Administrativas U de G)
Session:	City case studies
Date/time:	Parallel Session 4, Thursday 8 April, 4:30-18:00
Room:	
Chair:	Prof Robert Home, Anglia Ruskin University
1	The impact of EXPO 2010 on urban development of Shanghai Ilija Gubic, Cui Liu & Yu Liu (Politecnico di Milano)
2	You're only somewhere for the first time once : Ocazie prima, odata – Bucuresti Bob Jarvis (London South Bank University)
3	Shrinking City: Case Study of Liverpool within a European Context Prof Chris Couch (University of Liverpool) and Matthew Cocks (Liverpool John Moores University)
Session:	Property and exclusion
Date/time:	Parallel Session 5, Friday 9 April, 11:15-12:45
Room:	
Chair:	TBC
1	An Analysis of House Preference Attributes regarding the Middle Income Families in Dhaka City Kasphia Nahrin (Jahangirnagar University, Dhaka)

2	De Soto's Mystery of Capital and the Millennium Development Goals: Planning and property rights towards a pro-poor land law in Africa Prof Robert Home (Anglia Ruskin University)
3	Urbanization, Building Collapse and Social Dislocation in Lagos Metropolis Waziri Babatunde Adisa (University of Lagos) and Ayooluwa Samuel Adekomaya (Blessed Mirtad Services Limited, Lagos)
