

Watts Up with leaving the lights on

Switching off unnecessary office lighting can reduce the lighting bill by around 19%

How you can help

- Make maximum use of daylight where possible and switch lights off
- Open blinds and let daylight in where you can
- In large rooms, only use the lights you need
- Fit labels to switches so people know which switches to use
- Switch lights off when you leave the room or in unoccupied areas
- Report faulty lighting to Facilities helpdesk on 6464

**SWITCH
OFF!**

Did you know?

Lighting a typical office overnight wastes enough energy to make 1,000 cups of tea.
